

Issiaga Barry

Physician, Sacré Coeur

Meet Issiaga! He has 10+ years of experience as a physician, but has always wanted to become a pediatrician. He watched our Hope Ignited doctors care for his nephew and says he wants to learn how to provide care like that - compassionate, thorough, and excellent. He is motivated, kind, thoughtful, and eager to deepen his knowledge.

Funding Goal : \$450 / month (\$5400 / year)
