

YOUR IMPACT

Jan - Dec 2021

hope ignited

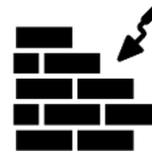

2021 was an exciting year for Hope Ignited as our vision of bringing HOPE and HEALING to the people of Guinea has truly taken shape.

We are so grateful that in 2021 you chose HOPE, and in so doing made a huge impact in the lives of the Guinean people:

350 pediatric patients cared for by Hope Ignited physicians

Over 40,000 bricks laid in the construction of Sacre Coeur

Over 75 Guineans employed in the creation of Sacre Coeur

750 hours of training provided to local medical personnel, church leaders and tradespeople

4 children received life-saving heart surgery

You laid an enormous number of bricks - over 40,000 have been laid in the construction of the pediatric center, lodging for the Hope Ignited team, and the Sacré Coeur chapel.

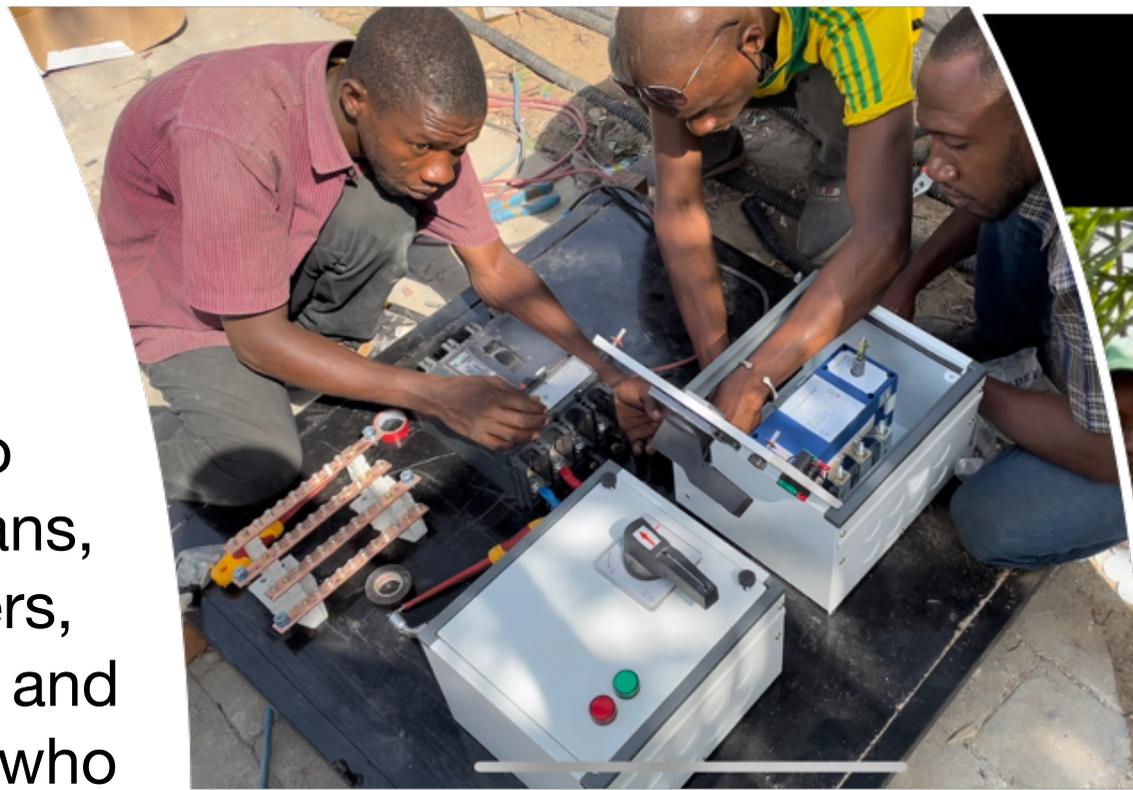

You trained so many Guineans who will be a part of our vision - medical personnel, church leaders, administrators, engineers, and construction workers.

You provided jobs - to Daniel, a church leader who uses the money earned from his barber shop to expand church ministry efforts.

And to electricians, plumbers, masons, and welders who have worked on the construction site over the last year.

You continued to provide medical care to the children of Guinea through local clinics while we wait for Sacré Coeur to be complete.

You helped 4 children get life-saving cardiac care. Mariam - a 3 year old girl who was born with a small valve in her heart - was able to get a correct diagnosis and receive the intervention she needed in France. She went from being tired every day to playing and running with her friends!

Fatoumata was born with a hole between the bottom two chambers in her heart. She had trouble breathing and couldn't gain weight until she had surgery in France. Now, she is walking, talking, and growing well!

Thanks to you, a previously blank slate of land is now the building site for a 2-story pediatric center, chapel, and lodging. We are so excited to see how God is going to use your generosity to bring HOPE to the people of Guinea through Sacre Coeur.

THANK YOU for choosing HOPE!

As 2021 has come to a close, we want to say THANK YOU - for showing up for the Guinean people to help them know that they have not been forgotten, that God sees them and loves them deeply, and that HOPE truly is more powerful than the darkness. All of our work is made possible by your generosity, encouragement and prayers.

Join us in celebrating the work
the Lord has done through you!
