

Octave Sodogandji

Physician, Sacré Coeur

Meet Octave! His dream is to become a pediatric cardiothoracic surgeon, and our center offers him a unique opportunity to learn about pediatric cardiology and basic surgical care as an introduction. He is intelligent, ambitious, and motivated but also has a kind demeanor and compassionate heart for those who suffer. He has a very bright future ahead of him.

Funding Goal : \$350 / month (\$4200 / year)
