# Pepe Guilavogui

## Biomedical Laboratory Technician, Sacré Coeur

Meet Pepe! He has a master's degree in biochemistry and joins our team with 10+ years experience running a medical lab in the interior of Guinea. He is eager to continue expanding his knowledge through and teaching junior staff members. He has a heart for sharing the love of Christ and using his skills to serve others.

Funding Goal : $250 / month ($3000 / year)
